Agenda 5 To consider and approve the change in the objectives of the capital increase from the IPO for the first time (IPO).

Objective and Rationales : this matter is regarded as significant change of objectives of utilisation of the proceeds so that the Company must comply with the Notification of Capital Market Supervisory Board, No. Tor Chor 39/2559 RE: Application for Approval and Granting of Approval for Offering of Newly Issued Shares Clause 38 (6) (a); if

there is a change of objective of utilisation of the proceeds as stipulated in the application for approval or the registration statement to offer for sale of securities and the prospectus, the Company must obtain the approval from the Shareholders' Meeting with the votes not less than 3 of 4 of the votes of all shareholders who attend the Meeting and have the right to vote, without objection, from 10% of number of votes of the shareholders who attend the Meeting and have the right to vote. Furthermore, the Company must comply with the Notification of the Capital Supervisory Board, No. Tor Chor 71/2561 RE: Items in the Invitation to the Shareholders' Meeting of the Company with Change of Objectives of Utilisation of the Proceeds from the Registration Statement to Offer for Sale of Securities and the Draft Prospectus.

Premier Tank Corporation Public Company Limited, the initial public offering (IPO) of 110,00,000 shares during February 4 - 8, 2022 at the price of Baht 3.50 per share and the company received proceeds, after deducting expenses related to the offering of such capital increase share, in the totalled amount of Baht 368.36 million, and the company reported of offering until December 31, 2022 in total amount of Baht 120 Million. Remain the working capital of business operation amount of Baht 248.36 Million, which had been reported on January 11, 2023 to The Stock of Exchange of Thailand as follows.

Objectives of utilization of the proceeds	Approximate amount (Baht million)	Accumulated use of proceeds until December 31, 2022	Remain proceeds as of December 31, 2022
1. To repay the loans from financial institutions	120.00	120.00	-
2. To be the working capital of business operation	248.36	-	248.36
Total	368.36	120.00	248.36

By the change in the objectives of the capital increase from the IPO for the first time (IPO), as follow :

Original Message : Objectives of utilisation of the proceeds item 2 To be the working capital of business operation totalled Baht 248.36 million.

Proposed Amendment : Objectives of utilisation of the proceeds item 3 To invest in new businesses that are related to the company's vision and mission of developing an energy structure and infrastructure totalled Baht 248.36 million.

The Board of Directors' Opinion : It is deemed appropriate to propose to the 2023 annual general meeting of shareholders to consider approving to convene the 2023 Annual General Meeting of Shareholders of the Company (The "2023 AGM") to consider and approval the change of objectives of utilization of the proceeds received from the Initial Public Offering ("IPO") of the capital increase ordinary shares. The proposed amendment is totalled Baht 248.36 million, which derives from unutilised fund from the previous objectives. Therefore, this matter is regarded as significant change of objectives of utilisation of the proceeds so that the Company must comply with the Notification of Capital Market Supervisory Board, No. Tor Chor 39/2559 RE: Application for Approval and Granting of Approval for Offering of Newly Issued Shares Clause 38 (6) (a); if there is a change of objective of utilisation of the proceeds as stipulated in the application for approval or the registration statement to offer for sale of securities and the prospectus,

the Company must obtain the approval from the Shareholders' Meeting with the votes not less than 3 of 4 of the votes of all shareholders who attend the Meeting and have the right to vote, without objection, from 10% of number of votes of the shareholders who attend the Meeting and have the right to vote. Furthermore, the Company must comply with the Notification of the Capital Supervisory Board, No. Tor Chor 71/2561 RE: Items in the Invitation to the Shareholders' Meeting of the Company with Change of Objectives of Utilisation of the Proceeds from the Registration Statement to Offer for Sale of Securities and the Draft Prospectus. The details are provided in the next page and Enclosure 4.

Vote required: The Company must obtain the approval from the Shareholders' Meeting with the votes not less than 3 of 4 of the votes of all shareholders who attend the Meeting and have the right to vote, without objection, from 10% of number of votes of the shareholders who attend the Meeting and have the right to vote.

Agenda 6 To consider and approve the allocation of net profits for the year 2022 as legal reserves and dividend payment for 2022.

Objective and Rationales :

1. Regarding the allocation of legal reserve under Section 116 of the Public Limited Companies Act B.E. 2535 (and any amendments) and articles of association No. 37, the Company must allocate the annual net profit as a reserve capital for not less than 5% of the annual net profit, minus the accumulated loss (if any), until this reserve capital has a value of not less than 10% of the registered capital.

At the end of 2022, the Company had a registered capital of 205,000,000 baht, an issued and paid share capital of 205,000,000 baht, and a legal reserve of 20,500,000 baht or 10% of the registered capital according to the articles of association. Therefore, there were no additional legal reserve allocation from the net profit of 2022.

2. The Company has dividend payment policy for shareholders no less than 40% of net profit of the separate financial statements after deducting the income taxes and all kinds of reserves as required by the laws and the articles of association. However, the dividend payment must not exceed the accumulated profits of the separate financial statements. In case the separate financial statements have accumulated loss, the Company shall not consider paying dividend. In this regard, the Company may consider paying the dividend less than the abovementioned rate depending on performance, financial position, and liquidity of the Company as well as the need of working capital for operation, business expansion plan in the future, and other factors related to the Company's management according to the board of directors' discretion.

In 2022, according to the Company's financial statements, it showed that the Company has a net profit of 83,719,710.44 baht, representing earnings of 0.21 baht per share. To proposal dividend payment from the operating results for 2022 at the rate of 0.082 Baht per share for 410,000,000 ordinary shares of the Company, totaling 33,620,000 Baht, which is approximately at 40.16 percent of the net profit of the financial statements. Dividend payment not according to the Company's dividend policy is to pay, because the Company still has a need to invest more money and use working capital for operations. A comparison with the previous year of the rate of dividend payment is as follows:

Items	2020	2021	2022 (Current proposal)
Net Profit (Million Baht)	111.06	97.90	83.72
Number of Shares (Million shares)	300.00	300.00	398.25
Earnings per Share (Baht)	0.37	0.33	0.21
Dividend Payment per Share (Baht)	-	0.10	0.082
Total Dividend Payment (Million Baht)	-	41.00	33.62
Dividend Payout Ratio (Percentage)	Non-Dividend	41.88	40.16

The Board of Directors' Opinion : It is deemed appropriate to propose to the 2023 annual general meeting of shareholders to consider approving to non-allocate the net profits of 2022 as a legal reserve since the legal reserve of the Company has already been reached according to the articles of association. And to consider and approve dividend payment from the operating results for 2022 at the rate of 0.082 Baht per share for 410,000,000 ordinary shares of the Company, totaling 33,620,000 Baht, which is approximately at 40.16 percent of the net profit of the financial statements, which will be paid from the operating for 2022 of the Company, subject to 20 percent corporate income tax. Individual shareholders would be entitled to a Dividend Tax Credit under Section 47 bis of the Revenue Code. And The Company withholding tax for dividend at 10 percent. The Board of Directors Resolution to determine the date to record the names of the receive the dividend payment (Record Date) are fixed on March 14,2023 and the dividends will be paid to the entitled shareholders on May 18, 2023, subject to the approval from the 2023 AGM.

Vote required: Majority votes of the shareholders who are present at the meeting and entitled to vote.

Agenda 7 To consider and approve the election of directors to replace those who are retired by rotation.

Objective and Rationales : According to the Public Limited Companies Act B.E. 2535 (and any amendments) and articles of association No. 13, a minimum 1/3 of directors at that term must retire from the position at every annual general meeting. If the number of directors could not be divided by three, the number of directors closest to 1/3 must be retired. On the first and second year after registration of the Company, the directors will retire by drawing raffles. For the subsequent years, the directors who have served longest must retire. The retired directors may be reelected to serve for another term. In 2023, a total of 3 directors shall retire by rotation at the 2023 annual general meeting of shareholders, which 2 of them are independent directors, as follows:

- | | | | |
|----|---------------------------------|----------|---|
| 1. | Prof. Dr. Pornchai Chunnachinda | Position | Chairman, Audit Committee, Independent Director |
| 2. | Mr. Tassanu Chutikanon | Position | Nomination and Remuneration, Risk Management Committee, Independent Director |
| 3. | Mr. Weerawat Burapapattanapong | Position | Chairman of the Executive Committee, Nomination and Remuneration Committee, Risk Management Committee |

In this regard, the Company's independent directors must have qualifications in accordance with the Company's requirements regarding the qualifications of independent directors of the Company according to the Enclosure 5.

To comply with the laws and articles of association, the shareholders' meeting should consider electing 3 directors to replace those who retire by rotation.

The Company gave minor shareholders the opportunity to nominate persons to be nominated for the Company's directors between November 15, 2022, to January 15, 2023, through the news system of the Stock Exchange of Thailand. Such operating regulations, including the nomination form, were also disclosed on the Company's website to acknowledge shareholders in advance. As a result, there was no shareholder nominating persons for directors of the Company.

The nomination and remuneration committee nominated persons to be appointed as directors in place of directors whose term expires. After considering the composition according to the nomination and remuneration policy and screening the qualifications of directors in various aspects individually, it agreed that all 3 directors who completed their term as directors this time are appropriate in terms of qualifications, knowledge, abilities, experiences that would be beneficial to the operations of the Company. Therefore, it was deemed appropriate to propose that all 3 directors should be reelected as directors for another term.

The Board of Directors' Opinion : The board of directors, excluding those who were due to retire by rotation in the 2023 annual general meeting of shareholders as proposed by the nomination and remuneration committee, jointly considered all nominees carefully. The board considered and agreed to propose to the shareholders' meeting to consider the appointment of 1) Prof. Dr. Pornchai Chunchachinda, 2) Mr. Tassanu Chutikanon, and 3) Mr. Weerawat Burapapattanapong, who were qualified as independent directors according to the definition of independent directors of the Company (No. 1 and 2) and according to the announcement of the Capital Market Supervisory Board with consideration of knowledge, ability, and experience that will be beneficial to the business of the Company. All of the 3 directors had no legal disputes, never been fired or dismissed for misbehaving in their duties, and never been imprisoned for an offense relating to property committed by fraud. Therefore, it was deemed appropriate to propose to the annual general meeting of shareholders to consider and appoint directors as follows:

- | | | |
|----|----------------------------------|--|
| 1. | Prof. Dr. Pornchai Chunchachinda | Position Chairman of the Board of Directors, Member of Audit Committee, Independent Director |
| 2. | Mr. Tassanu Chutikanon | Position Member of Nomination and Remuneration Committee, Member of Enterprise Risk Management Committee, Independent Director |
| 3. | Mr. Weerawat Burapapattanapong | Position Chairman of Executive Director, Member of Nomination and Remuneration Committee, Member of Enterprise Risk Management Committee |

The profiles of the nominees for director election appears in the Enclosure 6.

Vote required: Majority votes of the shareholders who are present at the meeting and entitled to vote.

Agenda 8 To consider and approve the directors' remuneration for the year 2023.

Objective and Rationales : It is to comply with the articles of association No. 14 that "Directors are entitled to receive remuneration from the Company in the form of rewards, meeting allowances, gratuities, bonuses, or other forms of remuneration as specified in the Articles of Association or as approved by the shareholders' meeting which may be determined as a fixed number or as a guideline or will be defined roughly or will be effective forever until

changes can be made. In addition, directors shall receive various allowances and welfare according to the Company's regulations.”

Therefore, the nomination and remuneration committee conducted a survey on the remuneration of directors and sub-committees for 2023 by considering their responsibilities and performance of the board of directors and comparative information of other companies in the same industry which are similar in size and nature of the businesses, including the survey results of directors' remuneration of the Thai Institute of Directors (IOD), the committee determined to propose to the general meeting of shareholders that the remuneration of the Company's directors for 2023 was within the amount of not more than 2,500,000 baht (two million and five hundred thousand baht), the same as 2022, and the remuneration policy remained the same as last year. The details are shown in the table below:

1. **Remuneration of Directors** : The quarterly remuneration and meeting allowance for each director attending the meeting are maintained at the same rate as in 2022 as follows:

Agenda 9 To consider and approval the amendments of the Company's Article of Association to be in accordance with the Public Limited Company Act (No. 4) B.E. 2565.

Objective and Rationales : Referring to the Public Limited Companies Act B.E. 2535 (including amendments) which was amended by the Public Limited Companies Act (Rev. 4) B.E. 2565 effective on May 24, 2022, therefore, in order to comply with the changes, the Company's Articles of Association must be amended as follows:
