Corruption (CAC).

Mr. Weerawat Burapapattanapong presented the Company's information which consisted of the vision, mission, business goals, business overview, business practices and the Company's performance report of the year 2022 as follows.

Performance Overview in 2022

In 2022, the Company's net profit is accounted for Baht 83.72 million which decreased for Baht 14.18 million or 14.49 percent from the same period last year due to a decrease in revenue due to a lower service rate under one service contract and an increase in service costs, primarily the safety cost. Although the amount of fuel distribution in both terminals increased by 1.96 percent compared to the same period last year, in line with the economic recovery, it is still fragile because it faces energy price inflation, causing people and industry to control such expenses and costs. As a result, the amount of oil consumption did not increase according to the set target. However, after the company used the money received from the initial public offering (IPO) to repay all long-term loans with financial institutions, the interest expenses decreased by Baht 6.98 million, or 86.02 percent, resulting in a decrease in the net profit margin from 44.06 percent in 2021 to 42.11 percent in 2022.

In 2022, the Company's petroleum terminal service at Khon Kaen terminal increased by 8.68 percent and that at Sisaket terminal decreased by 16.94 percent. The overall in 2022, the amount of fuel distribution in both terminals increased by 1.96 percent compared to the same period last year, the Company had rental and service income of Baht 197.06 million which decrease for Baht 24.09 million or 10.89 percent due to decrease in service rate of one service agreement in the 8th year. However, annual service rate is also adjusted according to the increase in the consumer price index, as agreed in the contract.

The cost of rental and services in 2022 was Baht 59.24 million which increase by Baht 1.35 million or 2.33 percent from 2021 mainly due to increase in the cost of improving the retaining wall to prevent soil subsidence, maintaining large cycles at the unloading pump system, and Re-Check the tank's Scale (Tank calibration) every 5 years according to the period specified by law.

Gross profit

In 2022, the Company's gross profit is accounted for Baht 137.81 million which decreased for Baht 25.44 million or 15.58 percent from 2021, due to a decrease in revenue due to the contract's reduced service rate and increase in costs of services and rental of Baht 1.35 million from primarily due to safety expenses.

Administrative expenses

Administrative expenses were Baht 34.61 million in 2022 which decrease for Baht 1.44 million or 3.99 percent from 2021, due to the absence of expenses related to preparing to be listed on the stock exchange, such as financial advisor fees, Professional fee, other fees, and so on.

Financial Costs

Financial costs for the year 2022 decreased by Baht 6.98 million or 86.02% compared to the year 2021, reason is the decrease of interest expenses from long-term loan repayment by cash flow from activities and Initial Public Offering (“IPO”) proceed, resulting in a decrease in the burden of interest payments for the company.

Net Profit

Net profit for the year 2022 was Baht 83.72 million which decrease for Baht 14.18 million or 14.49 percent compared to 2021. Although the amount of fuel distribution in both terminals increased by 1.96 percent, there was a decrease in revenue due to a reduction in service rates according to a service contract agreed upon since 2014 and increase in service costs 2.33 percent from expenses for safety and tank calibration every 5 years according to the period specified by law. However, the company has controlled administrative expenses and financial cost management by reimbursing the remaining cash flow from normal operations and proceeds received from the initial public offering (IPO). All available long-term loans from financial institutions reduced financial costs by 6.98 million baht, resulting in a net profit margin reduction from 44.06 percent in 2021 to 42.11 percent in 2022.

Assets

Total assets as at 31 December 2022 amounting to Baht 862.78 million, increase by Baht 261.45 million or 43.48 percent from 31 December 2021 are mainly from:

- 1) Cash and cash equivalents increased by Baht 270.46 million or 3,132 percent are mainly from cash from operating activities and increase of share capital from Initial Public Offering after prepayment of long-term loans and made dividend payment to shareholders during the period.
- 2) Increase in fixed deposits pledged as collateral in the amounted of Baht 20.00 million, which were used to secure bank overdrafts instead of the original collateral, which was part of assets, at a reduced interest rate.
- 3) Building and equipment decreased by Baht 22.10 million came from acquisition of office equipment, computers and vehicles amounting to Baht 2.22 million and recognition of depreciation and amortization in the year amounting to Baht 24.31 million.

Liabilities

Total liabilities as at 31 December 2022 amounting to Baht 18.96 million, decrease by Baht 149.64 million or 88.76 percent from 31 December 2021, mainly due to the premature repayment of long-term loans in full to financial institutions in the amount of Baht 150.04 million. As a result, the company currently has no such debt burden.

Shareholder's Equity

Total shareholders' equity on 31 December 2022 was Baht 843.83 million which increased for Baht 411.09 million or 95 percent from 2021. An increase in shareholders' equity was affected from IPO proceed in the amount of Baht 368.36 million which was accounted for paid-up capital for Baht

(Translation)

55.00million and share premium for Baht 313.36 million. One more reason for increase in shareholders' equity was an increase in net profit in the year 2022 for Baht 83.72 million and decrease from dividends paid of Baht 40.99 million.

Profitability Ratio

In 2022, the company's gross profit margin and net profit margin decreased from 73.82 percent in 2021 to 69.94 percent in 2022, and from 44.06 percent in 2021 to 42.11 percent in 2022, respectively. This was mainly due to a decrease in net profit following a decrease in revenue from a discounted service rate under one service contract, an increase in service costs, and a decrease in finance costs.

The Company's return on equity as at 31 December 2022 was 13.12 percent which decrease compared to 2021 due to a decrease in net profit for the year 2022 and increase in shareholder's equity by paid-up capital and share premium from IPO in February 2022.

Liquidity Ratio

The Company's current ratio in 2020, 2021, and 2022 was 0.41 times, 0.85 times, and 23.77 times, respectively, which increasing continuously. The majority of current assets are cash and cash equivalents and trade accounts receivable. Most of the current liabilities in 2020 and 2021 are long-term loans due within 1 year. For the year 2022, most of the company's current liabilities are trade accounts payable, accrued expenses, and corporate income tax payable.

Operational Efficiency Ratio

Return on fixed assets in 2022 has decreased from 24.02 percent in 2021 to 22.05 percent to the reduction in the net profit for of 14.49 percent in 2022, greater than the decrease in fixed assets from the depreciation. Fixed assets decreased by 4.56 percent compared to December 31, 2021.

Financial Policy Ratio

Debt to equity ratio of the Company on 31 December 2022 was 0.02 times which decrease due to the company repaying short-term loans and long-term loans from financial institutions in full before maturity, causing liabilities to continue to decrease. while retained earnings increased in line with operating profits. As a result, the debt-to-equity ratio compared to December 31, 2021, decreased by 0.37 times, representing a decrease of 94.87 percent.

The Chairman then opened the floor to shareholders to inquire and express opinions on the agenda. It appeared that none of the shareholders inquired or expressed their opinion.

Since this agenda was for acknowledgement, shareholders needed not to vote, the Chairman proposed to the attendees to acknowledge the report of the Board of Directors in the past year and Annual Registration Statement / Annual Report (Form 56-1 One Report) as submitted to the shareholders together with the invitation to this AGM.

Agenda 6 To consider and approve the allocation of net profits for the year 2022 as legal reserves and dividend payment for 2022.

The Chairman invited the Secretary to clarify the details to the attendees.

The Secretary informed the meeting that under Section 116 of the Public Limited Companies Act B.E. 2535 (with additional correction) and Company's regulation No. 37, the company must allocate the annual net profit as reserve capital for no less than 5 percent of the annual net profit, minus the accumulated loss (if any) until the reserve capital has a value of no less than 10 percent of the registered capital.

At the present, the Company has a registered capital of 205,000,000 Baht and a statutory reserve capital of 20,500,000 baht, which is 10% of the registered capital.

The dividend payment policy for shareholders were no less than 40 percent of net income of the separate Financial Statements after tax cut and other reserve capital of all kinds, as prescribed by the laws and the Company regulations. However, the dividend payment must not exceed the accumulated profits of the separate Financial Statements. In case the separate Financial Statements were rendered accumulated loss of capital, the company would not consider dividend payment. Nevertheless, the company may schedule the dividend payment lesser than the defined rate depending on performance, financial status and liquidity, as well as the needs of spending the working capital, business expansion plan in the near future and other factors related to company supervision according to the board of directors discretion.

In 2022, the Company saw the net profit of 83,719,710.44 Baht, calculated as 0.21 Baht per share. Since the Company had enough net profit and cash flow to pay dividends, the Company therefore considered paying the annual dividends of 2022 at the rate of 0.082 Baht per share for 410,000,000 ordinary shares of the Company, totaling 33,620,000 Baht, which is approximately at 40.16 percent of the net profit of the financial statements. The dividend payment is subject to the company's dividend policy.

Therefore, the Board of Directors proposed to the Annual General Meeting of Shareholders for approval as follows:

1. The non-allocation of profit from operating results for the year 2022 as legal reserve because the Company's legal reserve has reached 10 percent of the registered capital already.
2. The shareholders were to consider and approve the dividend payment for the year 2022 at the rate of 0.082 Baht per share for 410,000,000 ordinary shares of the Company, totaling 33,620,000 baht, which is approximately at 40.16 percent of the net profit of the financial statements, which will be paid from the Company's net profit, subject to 20 percent corporate income tax.

Shareholders who were individuals were eligible to apply for tax credit from the annual dividend payment under Section 47 of the Revenue Code. The Company would deduct the

Agenda 7 To consider and approve the election of directors to replace those who are retired by rotation.

As Assoc. Prof. Dr. Chaiyuth Padungsaksawasdi is one of the directors who will retire by rotation, for appropriateness and in compliance with good corporate governance, the Chairman of the Meeting appointed Assoc. Prof. Dr. Chaiyuth Padungsaksawasdi, Independent Director, Chairman of Audit Committee to presided over the meeting on this agenda.

Before this agenda starts. To comply with the principles of good governance and transparency. Assoc. Prof. Dr. Chaiyuth Padungsaksawasdi, presided over the agenda asked 3 directors composed of 1) Prof. Dr. Pornchai Chunnachinda, 2) Mr. Tassanu Chutikanon and 3) Mr. Weerawat Burapapattanapong to leave the meeting room until the consideration is completed.

Assoc. Prof. Dr. Chaiyuth Padungsaksawasdi invited Dr. Chitrapongse Kwangsukstith, Chairman Member of Nomination and Remuneration Committee to present details to the meeting.

Dr. Chitrapongse Kwangsukstith informed the attendees that under the Public Limited Company Act B.E. 2535 (with additional corrections) and the Company's regulation no. 13, at every annual general meeting, a minimum of one-third (1/3) of directors at that period must retire from the position. If the number of directors cannot be divided by three, the number of directors closest to one-third (1/3) shall be retired within the first and second years after the registering for a public limited company, by drawing
