Agenda 1 To acknowledge the report of the Board of Directors in the past year and Annual Registration Statement / Annual Report (Form 56-1 One Report).

Objective and Rationales : The Company has summarized the Company's operating results and significant changes for 2025 ended on December 31, 2025, as shown in the 2025 annual information disclosure form (56-1 One Report) in the Enclosure 2. They were delivered to shareholders with the invitation letter of this meeting.

The Board of Directors' Opinion : The Company's board of directors has considered it was deemed appropriate to propose to the 2026 Annual General Meeting of Shareholders to acknowledge the board of

directors' performance in the past year and the 2025 annual information disclosure form / annual report (Form 56-1 One Report).

Vote required: No vote required because it is a report to the shareholders for acknowledgment.

Agenda 2 To consider and approve the financial statements for the year ended 31 December 2025.

Objective and Rationales : To comply with Section 112 of the Public Limited Companies Act B.E. 2535 and Article 41 of the Articles of Association, the board of directors is required to prepare a balance sheet and profit and loss account at the end of the fiscal year of the Company audited by auditors and proposed to the shareholders' meeting for approval at the annual general meeting.

The Audit Committee' Opinion : The Audit Committee has considered and reviewed the financial statements for 2025 ended on December 31, 2025, and deemed that they were correct as shown in the Enclosure 2. They were delivered to shareholders with the invitation letter of this meeting.

The Board of Directors' Opinion : It was agreed to propose to the 2026 Annual General Meeting of Shareholders to consider and approve the financial statements for 2025 ended on December 31, 2025, audited by a certified public accountant and reviewed by the audit committee.

Vote required: Majority votes of the shareholders who are present at the meeting and entitled to vote.

Agenda 3 To consider and approve the appointment of the external auditors and their remuneration for the year 2026.

Objective and Rationales : To comply with Section 120 of the Public Limited Companies Act B.E. 2535 (and any amendments) and Article 29 of the Articles of Association of the Company, which requires the annual general meeting of shareholders to appoint auditors and determine the amount of the audit fees of the Company every year. In addition, a notification from the Capital Market Supervisory Board, TorJor.75/2561 imposes limits on an appointment of individual external auditors (but not the audit firm) at listed companies to no more than seven fiscal years, therefore, other individual external auditors from the same audit firm shall be appointed. However, the auditor shall be re-appointed after five fiscal years interval break.

Opinion of the Audit Committee : The Audit Committee screened qualifications of auditors by considering quality, experience, and fee. It agreed that DIA International Auditing Company Limited is a reliable accounting firm with good performance and sufficient personnel who have knowledge and expertise. Therefore, the committee gives opinions to the board of directors' meeting to propose to the annual general meeting of shareholders for consideration and appointment of auditors from DIA International Auditing Company Limited to be the auditors for 2026 for the Company and subsidiaries with the audit fees at 980,000 baht. The details of proposed auditors are as follows;

1. Propose the appointment of auditors from DIA International Auditing Company Limited.
2. List of auditors is as follows:
 - 1) Mrs.Suvimol Chrityakierne Certified Public Accountant No. 2982

In case those 4 auditors are not able to perform their work, DIA International Auditing Company Limited. Would appoint its proper, qualified and certified auditor to perform the audit and express an opinion on the Company's statements in their place. The Company no subsidiaries. Therefore, In order to ensure that the financial statements were prepared in a timely manner, DIA International Auditing Company Limited. is also an auditor of subsidiaries.

3. Each auditor has no relations, interests, or is not related to the Company/ executives/ major shareholders or those related to such persons in any way.

4. Audit fees of the year 2026

(a) The audit fees to be approved this time is 980,000 baht

(b) Audit Fee Comparison Table Between 2026 and 2025

Remuneration of Auditors	2026 (Proposed Year)	2025
Audit Fees	980,000 baht	1,005,000 baht
Other Service Charges	- None -	- None -

The Board of Directors' Opinion :The board of directors considered based on the opinions of the audit committee, which had considered and screened the selection of auditors, as well as determining appropriate remuneration. Therefore, it is appropriate to propose to the 2026 Annual General Meeting of Shareholders for to consider appointing auditors for 2026 and determining the remuneration as proposed.

Vote required: Majority votes of the shareholders who are present at the meeting and entitled to vote.

Agenda 4 To consider and approve the allocation of net profits for the year 2025 as legal reserves and dividend payment for 2025.

Objective and Rationales :

1. Regarding the allocation of legal reserve under Section 116 of the Public Limited Companies Act B.E. 2535 (and any amendments) and articles of association No. 37, the Company must allocate the annual net profit as a reserve capital for not less than 5% of the annual net profit, minus the accumulated loss (if any), until this reserve capital has a value of not less than 10% of the registered capital.

At the end of 2025, the Company had a registered capital of 205,000,000 baht, an issued and paid share capital of 205,000,000 baht, and a legal reserve of 20,500,000 baht or 10% of the registered capital according to the articles of association. Therefore, there were no additional legal reserve allocation from the net profit of 2025.

2. The Company has dividend payment policy for shareholders no less than 40% of net profit of the separate financial statements after deducting the income taxes and all kinds of reserves as required by the laws and the articles of association. However, the dividend payment must not exceed the accumulated profits of the separate financial statements. In case the separate financial statements have accumulated loss, the Company shall not consider paying dividend. In this regard, the Company may consider paying the dividend less than the abovementioned rate depending on performance, financial position, and liquidity of the Company as well as the need of working capital for operation, business expansion plan in the future, and other factors related to the Company's management according to the board of directors' discretion.

In 2025, according to the Company's separate financial statements, it showed that the Company has a net profit of 7,608,444.85 baht, representing earnings of 0.020 baht per share. To proposal dividend payment from the operating results for 2025 at the rate of 0.010 Baht per share for 410,000,000 ordinary shares of the Company, totaling 4,100,000 Baht, which is approximately at 53.89 percent of net profit of the separate financial statements. Dividend payment not according to the Company's dividend policy is to pay, because the Company still has a need to invest more money and use working capital for operations. A comparison with the previous year of the rate of dividend payment is as follows:

Items	2023	2024	2025 (Current proposal)
Net Profit (Million Baht)	75.10	46.81	7.61
Number of Shares (Million shares)	410.00	410.00	410.00
Earnings per Share (Baht)	0.18	0.11	0.02
Dividend Payment per Share (Baht)	0.075	0.047	0.010
Total Dividend Payment (Million Baht)	30.75	19.27	4.10
Dividend payout ratio compared to net profit (%)	40.94	40.98	53.89

The Board of Directors' Opinion : It is deemed appropriate to propose to the 2026 Annual General Meeting of Shareholders to consider approving to non-allocate the net profits of 2025 as a legal reserve since the legal reserve of the Company has already been reached according to the articles of association. And to consider and approve dividend payment from the operating results for 2025 at the rate of 0.010 Baht per share for 410,000,000 ordinary shares of the Company, totaling 4,100,000 Baht, which is approximately at 53.89 percent of net profit of the separate financial statements, which will be paid from the operating for 2025 of the Company, subject to 20 percent corporate income tax. Individual shareholders would be entitled to a Dividend Tax Credit under Section 47 bis of the Revenue Code. And The Company withholding tax for dividend at 10 percent. The Board of Directors Resolution to determine the date to record the names of the receive the dividend payment (Record Date) are fixed on March 13,2026 and the dividends will be paid to the entitled shareholders on May 18, 2026, subject to the approval from the 2026 AGM.

Vote required: Majority votes of the shareholders who are present at the meeting and entitled to vote.

Agenda 5 To consider and approve the election of directors to replace those who are retired by rotation.

Objective and Rationales : According to the Public Limited Companies Act B.E. 2535 (and any amendments) and articles of association No. 13, a minimum 1/3 of directors at that term must retire from the position at every annual general meeting. If the number of directors could not be divided by three, the number of directors closest to 1/3 must be retired. On the first and second year after registration of the Company, the directors will retire by drawing raffles. For the subsequent years, the directors who have served longest must retire. The retired directors may be reelected to serve for another term. In 2026, a total of 3 directors shall retire by rotation at the 2026 annual general meeting of shareholders, which 2 of them are independent directors, as follows:

1. Prof. Dr. Pornchai Chunhachinda Position Chairman of the Board of Directors/ Independent Director
2. Mr. Tassanu Chutikanon Position Independent Director
3. Mr. Weerawat Burapapattanapong Position Director

In this regard, the Company's independent directors must have qualifications in accordance with the Company's requirements regarding the qualifications of independent directors of the Company according to the Enclosure 3.

To comply with the laws and articles of association, the shareholders' meeting should consider electing 3 directors to replace those who retire by rotation.

The Company gave minor shareholders the opportunity to nominate persons to be nominated for the Company's directors between November 15, 2025, to January 15, 2026, through the news system of the Stock Exchange of Thailand. Such operating regulations, including the nomination form, were also disclosed on the Company's website to acknowledge shareholders in advance. As a result, there was no shareholder nominating persons for directors of the Company.

The Nomination and Remuneration Committee nominated persons to be appointed as directors in place of directors whose term expires. After considering the composition according to the nomination and remuneration policy and screening the qualifications of directors in various aspects individually, it agreed that all 3 directors who completed their term as directors this time are appropriate in terms of qualifications, knowledge, abilities, experiences that would be beneficial to the operations of the Company. Therefore, it was deemed appropriate to propose that all 3 directors should be reelected as directors for another term.

The Board of Directors' Opinion : The board of directors, excluding those who were due to retire by rotation in the 2026 annual general meeting of shareholders as proposed by the Nomination and Remuneration committee, jointly considered all nominees carefully. The board considered and agreed to propose to the shareholders' meeting to consider the appointment of 1) Prof. Dr. Pornchai Chunhachinda, 2) Mr. Tassanu Chutikanon and 3) Mr. Weerawat Burapapattanapong , who were qualified as independent directors according to the definition of independent directors of the Company (No. 1,2) and according to the announcement of the Capital Market Supervisory Board with consideration of knowledge, ability, and experience that will be beneficial to the business of the Company. All of the 3 directors had no legal disputes, never been fired or dismissed for misbehaving in their duties, and never been imprisoned for an offense relating to property committed by fraud. Therefore, it was

deemed appropriate to propose to the annual general meeting of shareholders to consider and appoint directors as follows:

1. Prof. Dr. Pornchai Chunhachinda Position Chairman of the Board of Directors/ Independent Director
2. Mr. Tassanu Chutikanon Position Independent Director
3. Mr. Weerawat Burapapattanapong Position Director

The profiles of the nominees for director election appears in the Enclosure 4.

Vote required: Majority votes of the shareholders who are present at the meeting and entitled to vote.

Agenda 6 To consider and approve the directors' remuneration for the year 2026.

Objective and Rationales : It is to comply with the articles of association No. 14 that "Directors are entitled to receive remuneration from the Company in the form of rewards, meeting allowances, gratuities, bonuses, or other forms of remuneration as specified in the Articles of Association or as approved by the shareholders' meeting which may be determined as a fixed number or as a guideline or will be defined roughly or will be effective forever until changes can be made. In addition, directors shall receive various allowances and welfare according to the Company's regulations."

Therefore, the nomination and remuneration committee conducted a survey on the remuneration of directors and sub-committees for 2026 by considering their responsibilities and performance of the board of directors and comparative information of other companies in the same industry which are similar in size and nature of the businesses, including the survey results of directors' remuneration of the Thai Institute of Directors (IOD), the committee determined to propose to the general meeting of shareholders that the remuneration of the Company's directors for 2026 was with in the amount of not more than 2,500,000 baht (two million and five hundred thousand baht), the same as 2025, and the remuneration policy remained the same as last year. The details are shown in the table below:
