Business Highlight

PTC is the first independent oil depot listed on the stock market and the most modern energy hub in the northeastern region. It provides services for receiving, storing, blending, and distributing fuel according to customer specifications, with a network of two oil depots in Khon Kaen and Sisaket provinces to distribute fuel oil to gas stations covering the entire northeastern region.

In addition to the oil business, PTC also develops clean water filtration innovations to enhance community well-being. Through its subsidiary, which researches and advances modern clean water solutions, ensuring that communities facing water scarcity have sustainable access to safe and clean water.

Performance and Analysis

Business Performance Summary

In the first half of 2025, the Company had total revenue of 44.46 million baht, a decrease of 44.62% YoY, due to decreased oil dispensing volume, restructuring of service fees, and the temporary suspension of operations at the Sisaket depot after the expiration of the service contract.

Service costs decreased by 20.52% due to cost control and organizational restructuring, while administrative expenses increased by 14.68% due to compensation under labor law in adjusting the organizational structure to be consistent with the current business situation.

Net profit was 4.58 million baht, a decrease of 85.01% YoY. However, the Company continues to closely monitor the situation and proactively adjust its strategies to restore performance in the second half of the year.

Financial status The Company has a Current Ratio of 96.57 times, an increase of 48.92 times from the end of 2024, and a D/E of 0.02 times.
